Other COOL Products

Portable Misting System

Be cool anywhere with our completely self-contained Portable Misting System. It provides hours of refreshing cool mist and sets up in less than 5 minutes.

Anyone can easily wheel the unit in place and cool down a 10' x 10' tent in minutes.

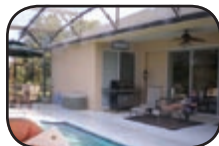

RV Awning Mister

Clip the MIST-ER-COMFORT RV Awning kit onto any motor home awning to provide comfort during the hot summer.

Utilize either the hose bib of the park site or the pressure water line of the RV for your water source.

Patio Mister

Cool down your patio, restaurant, pool deck or any other outdoor area using our patio misting kit.

Connect to a standard garden hose for continuous misting.

Custom installations for larger projects available.
