## **Affordable MISTING KIT Choices for the Marine Industry!**

### **Standard Boat Bimini Misting Kit**

**\$99**

#### Kit # 2001

Kit is completely assembled; installs in minutes on 8-10ft beam Bimini Top, and gets it's pressurized water from the boat's fresh water tank through a special Tee Adapter. If your boat does not have a fresh water system see Kit # 2004..

### **Custom Marine Misting with Pump Kit**

**\$299**

#### Kit # 2003

Kit is designed for boats that require a more custom installation. It includes 125psi pump/filter/automatic drain, 4 Misting Heads, 35 ft of tubing, adapters, mounting options of Velcro straps or grommets to conceal misting heads in a Hard Top or "T" Top. Console On/Off switch is not included..

### **Custom Marine Misting with Pump and Tank Kit**

**\$349**

#### Kit # 2004

Designed for Boats with no fresh water tank. This Kit is same as 2003 but includes completely assembled 6 gallon Pump/Tank controlled by a switch (not included)..

**Utilize MIST-ER-COMFORT's professional design team to integrate the Marine Misting System seamlessly into your vessel.**
